

All Seasons 8400 Series Vinyl Windows with Low-E glass pass all Energy Star & TWI Energy Performance standards.

	U-Value	SHGC
Single Hung	.35	.34
Picture Window	.35	.34

Centerbar is *interlocked and attached to the frame jamb with dual screws*

- Eliminates jamb bowing.
- Reduces air infiltration over 200% as compared to a double-hung window.
- Eliminates interlock and sash operation problems common with double-hung windows.
- Insures trouble-free operation for many years.
